Frequently Asked Questions

Are we required to use preferred vendors or can we bring in our own caterer?

We take pride in turning your dream wedding into a reality. Which is why we have teamed up with some pretty amazing wedding professionals. We do require our couples to use our onsite catering service. But this is for ease of stress on our couples and for liability purposes. We want your day to go as smoothly as possible. We also always direct our couples to the local Wedding Association Website if you are in need of other specific vendor connections.

What is your alcohol policy?

We do not permit self-serving of alcohol at the Pavilion/Chapel area. If you plan to serve alcohol at your event, you must use our licensed and insured Bartending Service. A menu is sent your way to select your choices!

How many people can be seated inside the Pavilion area? And how many can be seated on the back deck?

90-100 guests can be seated inside the climate-controlled Pavilion Room.

100-150 guests can be seated on the Back Covered Deck and 50-60 guests on the Flagstone Patio.

Are there any overnight accommodations?

Yes! Not only are we a Wedding Venue but, we also have a full-service Bed & Breakfast. We have 8 uniquely themed cottages scattered throughout our 14-acre property. Perfect for the couple to "Mini Moon" and for their closest family and friends to stay.

Can we take engagement photos at the venue?

Of Course! In fact, for ALL of our booked wedding couples a mini engagement photo shoot is included with John at All Heart Photography. But no worries if you already have a photographer. We just ask that you call ahead and schedule a time.

Are we required to have a wedding planner/day of coordinator?

No! Most definitely not. We do encourage it though. We want you and your guests to enjoy the whole day with you by letting someone else do the directing. Let us take the extra stress away for you! Included in our wedding packages is a month of Coordinator with Amy at All Things Planned! We do not offer a reduction in price if you choose to bring in your own coordinator.

For the couple's wedding exit, what items are NOT allowed?

We do not permit Fireworks of any kind (including sparklers), Silk Rose Petals, Silk Leaves, Rice or Birdseed. We try to be very green and friendly to our environment here. Bubbles, glow sticks, dried or fresh petals. Ask about our special Confetti Cannon Package!

What if it rains? Is there a "Plan B"?

Yes! There are several options. Most of the time we can just wait a few minutes for the rain to pass and then just bump the timeline by about 15 minutes. But if it happens to be a continually rainy day, we can certainly relocate the wedding inside the Chapel, Pavilion Room or on the Back Covered Deck. Either way we facilitate it ALL for you!

Are you pet friendly?

Yes! Fur Babies are important to our families and are welcome to be in the wedding ceremony. We do ask that after the ceremony that someone takes the pet home. The reception has a lot going on and the pets tend to not enjoy this part of the evening.
