

## About the Venue

Built in 1923, this three-story facility contains a variety of spaces suitable for your event needs. This historic, vibrant church building includes arched windows, vaulted ceilings, and hardwood finishes - all newly rejuvenated with updated lighting, sound systems, restrooms, and accessibility. Like most churches, this building was built to be a place where people gather to connect over what matters to them. Illume Venue continues that mission - for everybody. We're excited to open the doors to the next 100 years of connection and memory-making.

Welcome to Illume Venue.

## Why Illume?

Illume is for you - for everybody - to engage with to whatever extent serves you well. Illume Network (what we call the whole organization - the venue, the co-working office, the congregation) operates with the idea that community makes for meaningful living. We carry the same generous ethos that shapes our church's ministry into our community endeavors, nonprofit support work, and rentable venue work.

When you plan, host, or attend a gathering at Illume, you're not just considering a venue; you're finding a way to bring people into a place where relationships take center stage. Illume is dedicated to helping you create an event full of warmth, purpose, and genuine connection.
