How To Choose The Right Package?

At NXT Level Audio Visual, we make it easy to choose the right AV package for your event. Here's how to find the best option for your needs:

Step 1: Determine Your Screen Requirements

Only a Single Screen Needed?

- Choose our "Video Only" or "Single Screen Meeting Package" – ideal for presentations requiring one display.

Two Screens Required?

- Select our "Dual Screen Meeting Package", which includes everything needed for a dual-display setup.

Step 2: Decide if You Need Audio Support

Need Microphones and Speakers?

- Both our "Single and Dual Screen Meeting Packages" come with complete audio support.

No Audio Needed?

- Our "Video-Only Package" is perfect if you don't require sound equipment.

Step 3: Determine Your Total Package Price

Once you've selected your package:

1. Scroll down to the screen options.
2. Choose the screen size(s) that best suit your event.
3. The screen size selection will determine the final package price.

Note:

- Listed prices do not include tax.
- Additional labor charges may apply for events scheduled after 5 PM, on weekends, or on holidays.

Included With Every Package

- Delivery within 30 miles of Bloomfield, NY (14469)
- Full setup by our professional AV team
- A Meet & Greet with an AV Technician at the start of your event to ensure everything runs smoothly
