# ABOUT

Hi, my name is Carolina! I have been in this industry since 2016 with a degree in Wedding Planning and Event Design. I assist you through everything from beginning to end, bringing your ideas to life and working with you to create the event of your dreams. Let's work together to make the best of your events to come!

As a planner, I focus on the design, planning and management of an event. I strive for you to have the best experience and resources fit for you and your budget. This allows you to enjoy your special day to the fullest, taking the extra stress off your back and saving you time and money. Feel free to send me an email to book a free consultation!

## DESTINATION PLANNING PACKAGE

For destination weddings, this package includes full planning and honeymoon planning. We will work together to coordinate from afar and make sure all details, vendors, activities and accommodations are set at your desired location to make your dreams come true! This package can be for couples planning their wedding in other states or country.

STARTING AT \$8,500

## FULL PLANNING PACKAGE ~ \$6,500

This package includes complete planning and guidance throughout the wedding process. During this monthly experience, together we will form your vision into reality while staying within your budget. Everything from venue tours to vendor management, designing, budgeting, rehearsals, plus day-of direction and monthly consultations.

## PARTIAL PLANNING PACKAGE ~ \$4,500

This package is for partial planning and guidance throughout the process, day-of coordination, and monthly consultations. It is personalized to fit your wedding needs and budget. Our team handles the main coordinating while you handle the details. This package is for brides who still want to do some of the planning and designing for their wedding.

## **ELOPEMENT / MONTH-OF PACKAGE ~ \$3,500**

This particular package is for events which only need planning assistance and guidance for the month before. During this day to day process the couple will hand off the event duties to us so they can be assured every last detail has been taken care of and vendors are aligned. Two consultations are included, plus set-up & take-down.

## **HONEYMOON PLANNING ~ \$1,200**

This package is for assistance in budgeting and booking a memorable honeymoon for you and your new spouse. We work alongside the best travel agencies for a smooth process so you can enjoy your romantic getaway.

- book flights
- lodging details
- transportation
- tours and attractions
- weekly itinerary

## **ADDITIONAL UPGRADES**

More hours on the event day + \$150/hr

Additional assistants/staff + \$250 each

Extra meetings prior to the event + \$100

Bridal shower/engagement/bachelorette + \$500 per event
