Address: 68-411 Farrington Hwy, Waialua, HI 96791

This is the general venue information for non-wedding events which include wedding reception only. It is a 6 hour, 8 hour, or 12 hour rental including setup and breakdown. Music must stop at 10:00pm.

We have an expansive oceanfront lawn and private beach access (all beaches are public in Hawaii).

**OUR 30' X 40' TENT**

**OUR POLO BAR**

The venue comes with a 30'x 40' white tent with canopy style cafe lights and a bar structure that clients can use for reception. Our tent can accommodate 100 people maximum (11 round tables of 9 plus sweetheart table). The venue fee includes up to 20 round tables and up to 100 chairs (set up and breakdown included). If your guest count is

more than 100 and need a large tent, it is the Client's responsibility to rent an additional tent and lighting from our partner rental company. Clients are also allowed to use the deck or the lawn area for reception with or without a tent. Lighting must be set up by our partner rental company. Possibilities are endless.

**CLEAR TOP TENT (OUTSIDE RENTAL) ON THE FIELD**

**OUR CLUBHOUSE**

The venue comes with an air-conditioned clubhouse with a kitchen for Clients to use (mostly for relaxing, touching up makeup, changing, storing personal items, and taking pictures), NOT recommended be used as the bridal suite due to the limited space and privacy, lack of private bathroom. We recommend that the bride and bridesmaids put on hair & make up off site and arrive at the venue just to get dressed. The deck space in front of the clubhouse can be used for dancing so it is not necessary to rent a dance floor. Lighting above the dance area is not included (mandatory rental for evening events).

Hawaii Polo Weddings has certain preferred vendors we trust and highly recommend for our clients for their professionalism, familiarity with the venue, quality of service, and fair pricing. We currently **require** clients to choose a **DJ, Caterer, Bartender, Equipment & Tent rental, and Polynesian Entertainment** from the list and encourage clients to utilize our preferred vendors the event. for other areas of wedding planning. If Clients hire outside vendors, the venue collects outside vendor fees for each outside vendor (\$500 for caterer/rental, \$250 for bartender/DJ).

A professional day-of event coordinator is required for the day of the event for the sake of elevating everyone's experiences and the quality of the event. Coordinator must remain on site for the entire duration

**UNTENTED RECEPTION ON THE FIELD**

of the event to direct all the vendors and the guests and manage all the setup and breakdown/cleanup. Coordinator must be the first to arrive and the last to leave the site.

We are a fully functioning horse farm and a polo field. Please be aware that there are limited horse activities such as trail rides on the day of the event (extremely low impact) No public spectators are allowed on the event day.

We can tentatively reserve the date for 2 weeks for you which does not require a payment. This will give you priority over this date. To confirm a date, you are required to pay half of the venue fee and the \$250 pre-event cleaning fee, and the other half of the venue cost and security deposit are due two months out from the wedding. All deposits are NON-REFUNDABLE, however, due to the uncertainty caused by the Covid pandemic, we currently offer to transfer the deposits to the new date in case clients choose to postpone their wedding date with no additional charge.

Please let us know if you have any questions or would like to schedule an appointment for a site tour.
