## FREQUENTLY ASKED QUESTIONS

---

### ARE WE REQUIRED TO HAVE A ROOM BLOCK?

*While a room block is not required to book a Broadmoor wedding, we do recommend contracting a room block to ensure that there are rooms available for your guests that would like to stay at the hotel. If you do choose to forego a room block, it is very likely that we could fully sell out of rooms over your wedding weekend!*

*Room blocks must have a minimum of 10 rooms, and you are held to fulfilling 80% of your room block. Room blocks do have a discounted rate, and we will add to your block if needed based on availability. Discounted rates are also available 3 days pre and post event, based on availability.*

*All of our wedding packages have a least one night in a complimentary suite - however, you may want to extend past that night. We recommend discussing this with your Catering Manager early on in the planning process to ensure that we have the suite available for you!*

### ARE WE REQUIRED TO HIRE A WEDDING PLANNER?

*We do require a day-of coordinator, though you may of course opt to hire a wedding planner to assist with your full planning process. We do have a list of preferred vendors that you can select from, or you may engage a company not on our list. All wedding planners are required to submit proof of insurance.*

### WHAT INFORMATION IS REQUIRED FOR A CONTRACT?

*Couples' first and last names, contract signee's first and last name and all contact information, preferred method of payment for deposits, selected wedding date, selected wedding package, and guaranteed minimum number of guests.*

### WHERE SHOULD WE GET READY THE DAY OF?

*We suggest booking an appropriately sized suite for the night before and night of the wedding to ensure access throughout the day. We can also discuss the possibility of reserving some of our meeting space as a ready room for the day.*

*We do not allow any outside food or beverage; however, we are happy to arrange food and beverage throughout the day while you are getting ready.*

### WHAT ALL IS INCLUDED IN MY PACKAGE?

*In addition to all of the inclusions listed, we provide all tables, flatware, china, glassware, customized printed menus, power and riser for the DJ/band, and dancefloor.*

### WHAT VENDORS DO WE NEED TO HIRE?

*In addition to a wedding coordinator, you should think about a florist/design company, photographer, videographer, DJ or band, officiant, etc. We do provide a full list of preferred vendors to help you get started as well!*

### WILL WE HAVE A MENU TASTING PRIOR TO THE WEDDING?

*A complimentary cake tasting is included for the couple and their wedding coordinator with a contracted food and beverage spend of \$40,000 or less. This includes 4 cake selections. Additional guests may be added for \$75+ per person.*

*A complimentary full tasting is included for the couple and their wedding coordinator with a contracted food and beverage spend of \$40,000 or more. This includes 4 canape Selections, 2 first course selections, 2 entree selections, and 3 cake selections. Additional guests may be added for \$200+ per person.*

*We schedule tastings based on hotel availability 2-4 months prior to the wedding day.*
