

The Vineyard Estate Calistoga

Description:

This stunning private estate is tucked away on a mountain overlooking Napa Valley, with sweeping views of vineyards near and far. Lush outdoor spaces include courtyards, bocce court, expansive lawn with infinity pool, terraces, and mini-redwood grove overlooking vineyards and views.

The graceful cypress lined drive up to the estate is wrapped in vineyards. The lush lawn, infinity pool and decks are all at the view's edge. The lawn is ideal for cocktails and receptions. Terraced below is a bocce court facing the views, and may be used for guest welcome, ceremony, cocktails, or play. A mini redwood grove with amphitheater style seating and terrace overlooking vineyards offers a serene ceremony location. The courtyards with trickling waterfall, fountain and olive trees are ideal for cocktails. Other hidden spaces include a secret garden with lawn chess, and wooded area with tree house.

Ideally situated within 7 minutes of downtown Calistoga, yet perfectly quiet and hidden amongst nature. The Vineyard Estate is an ideal location for a wedding.
