Storytelling Through Hip-Hop | Amplifying Black Voices

Ascended Reality is a dynamic international hip-hop duo specializing in storytelling that blends elements of traditional hip-hop with themes of social change and Black cultural empowerment.

Founded by Ryk Good and Ato, the group uses music as a platform to inspire, challenge, and uplift audiences. Their sound fuses introspection, lyricism, and innovative beats, creating an auditory journey that resonates with listeners from diverse backgrounds. Under the umbrella of ReiRaz Craft LLC, Ascended Reality is committed to bringing authentic narratives to life while pushing the boundaries of contemporary hip-hop.

Featured Tracks

"Year of the Dragon"

- **Theme:** Strength, perseverance, and transformation.
- **Release Date:** October 21, 2024.

"Tools Of The Trade"

- **Theme:** Perseverance, community, storytelling
- **Key Concept:** Tells two stories of growth through adversity.

"Melting Point"

- **Theme:** Resilience, transformation, and forging legacy under pressure.
- **Key Lyric:** "He's what his entire family tree waited to see, weighs off of me, melting point: 1064C."
