

See a Sail In Action

Private Charters Aboard Denis Sullivan | Boston Harbor

WHO WE ARE

World Ocean School was founded in 2002 and has worked with over 25,000 students in educational programs ranging from 2 hours to 2 months aboard our tall ships. All programs are grounded in our core values of trust, communication, teamwork, and self-worth.

To help fund our mission we utilize our tall ships to provide clients with private charters and events.

TESTIMONIALS

“We had a great time on the ship. The crew was very fun, informative and took the time to talk with us. We were able to help hoist the sails! Would definitely recommend!”

“Easy to access, beautiful scenery, excellent beverage service, and a great explanation of World Ocean School programs and the ship *Denis Sullivan*.”

“The staff were amazingly courteous! The way they engaged with the patrons, it made us feel like shipmates!”
