FAQ'S

Do you allow outside catering or food choices? We request that you order from our catering menu or tap room menu. However, we understand there are instances where other menu options are preferred. We'll approve on a case by case basis.

**Please note if we allow this for your special event we can not supply tables, linens, cutlery, serving utensils etc. In some instances we require an 'off-site' catering fee.*

Do you allow cakes/desserts? Yes! We love sweets

Can I come early and decorate? We suggest you book the event with this needed time in mind. However, we do allow same-day early arrival for decorating time (provided it's within our normal business hours and there isn't another event happening).

**To help keep our space clean, safe and enjoyable for everyone, we kindly ask that no confetti, confetti balloons, sparklers, colored powder or glitter be used during your event.*

Can I hire my own band or musician? Yes provided there isn't a conflicting musician and there is a required ~\$300 fee for the sound tech (that does not go towards any minimum spend levels).

Do you require a deposit? Yes, we require a deposit for any reserved space or pre-ordered food. We request a CC for incidentals such as moving furniture, or clean up outside normal standards. Example would be confetti or removal of decorations left behind. If the event is canceled within 7 days of schedule date we will charge 35% of any catering choices made.

Can I move my party inside if the weather is bad?
We will do everything we can to work with each event if this happens. We set the expectation that moving the party is **not an option** due to the taproom not being large enough to accommodate most party sizes and the event room is typically occupied.
