TIP·TOP·TAP BALLROOM

WARWICK ALLERTON CHICAGO

701 N MICHIGAN AVE
CHICAGO IL 60611

TIMELESS LEGACY

Opening its doors on March 31, 1924, the Allerton Hotel rose above the Magnificent Mile as one of Chicago's very first high-rise hotels. Designed as an exclusive "club" hotel, it quickly became a backdrop to the glamour and indulgence of the Roaring Twenties.

By the 1940s, its iconic penthouse bar and lounge—the Tip Top Tap—had become one of the city's most celebrated after-hours destinations, welcoming legendary performers such as Frank Sinatra, Lucille Ball, and Bing Crosby. Today, this storied space is reserved exclusively for private events, comfortably accommodating 100-200 guests, and has been a beloved setting for weddings for more than sixty years.

Purchased in 2014 by Warwick Hotels and Resorts, the now Warwick Allerton Chicago has undergone transformative renovations in 2019 and 2025, thoughtfully restoring its historic details while elevating its ballrooms and guest rooms for the modern celebration.

Over a century after opening its doors, the hotel continues to blend old-world elegance with contemporary comfort—offering couples a timeless backdrop to begin their own story.

How does the menu tasting work?

Wedding tastings occur about 6 months prior to your wedding. You will choose a selection from our wedding menu to taste with up to 4 people (including the wedding couple). Additional guests can be added for a fee.

Do we need wedding insurance?

All wedding couples are required to obtain wedding liability insurance with a minimum coverage of \$2 million. This can typically be secured through your homeowner's or renter's insurance policy, or via a specialized provider such as WedSafe. In addition, all wedding vendors must provide a Certificate of Insurance (COI) meeting our requirements prior to arriving on-site for your wedding. COIs must be submitted in advance to ensure compliance and to avoid any disruption to your event.

What are your peak/off-peak seasons? Is there a discount for off-peak weddings?

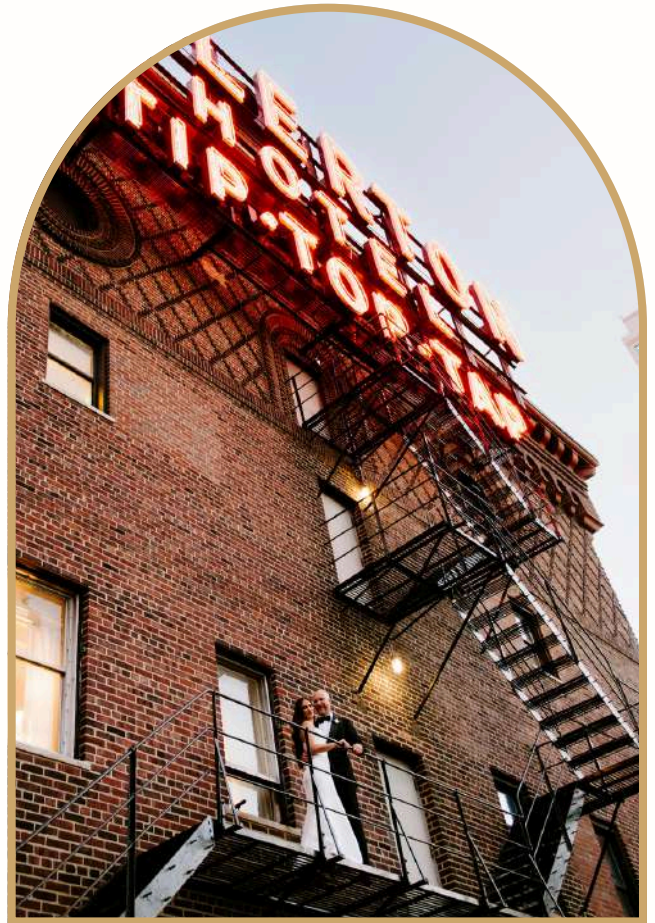

Our busiest time is between May and October, dates outside of this are considered "off-peak" and may be eligible for discounts or additional perks. Weddings booked less than 4 months out, or on Fridays and Sundays, automatically receive a 10% discount.

Do we need a day-of coordinator?

The Sales & Banquet Team acts as your day-of coordinator at the hotel property. A 3rd party coordinator is not recommended unless you are having an off-site ceremony, such as a church ceremony, since we are unable to help you coordinate travel between the locations.

Are there other services available, such as coat check or gift bag drop off?

A staffed coat check is available for winter weddings for a \$250 labor fee, alternatively, a large coat rack can be provided at no cost, but it will not be monitored during the event. Gift bags can be distributed to guests of the wedding room block, free of charge, by the front desk team. All gift bags must be non-personalized and identical.

TESTIMONIALS

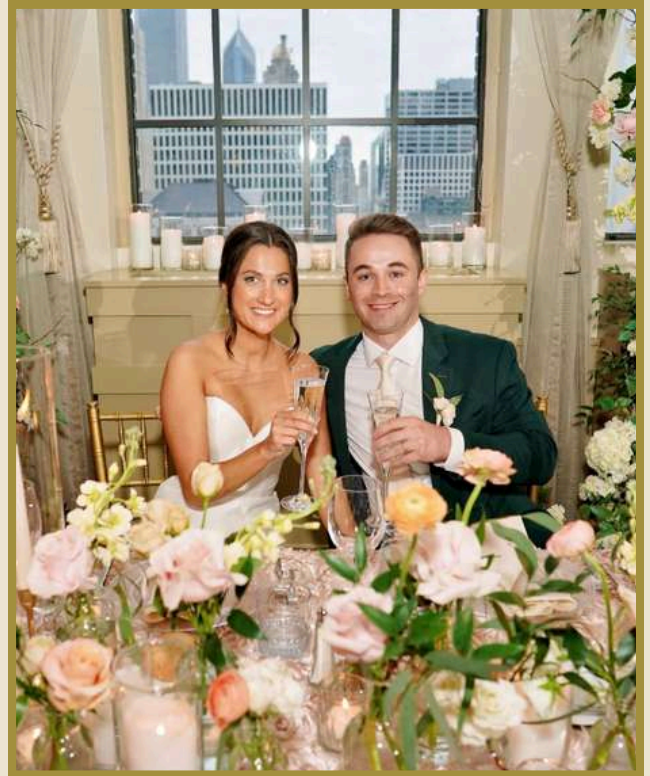

Caroline & Michael • 09.05.25

Our wedding at the Allerton Hotel far and away surpassed our expectations.

We knew when looking at venues that we wanted somewhere that was budget conscious, warm and welcoming, and spoke for itself. We wanted a venue that didn't need to be glitzed or glammed up to look beautiful; Minimalistic but Grand. The Allerton checked all of these boxes for us.

For the last 4 months of our wedding planning process, we had the utmost honor to work with and adore Christina Farias and Mina Chu. These two worked seamlessly behind the scenes making sure everything was on track for us.

The Allerton was everything that we could have hoped for and more, not only with how stunning the venue is or how delicious the food was, but we got to get close to a team we now consider to be like family.

Carley & Ryan • 06.22.24

The Allerton was my dream venue.

Being up above Michigan Avenue is magical throughout the day and especially the glow of the night. The chandeliers and arched windows made for an elegant and timeless reception/ceremony space.

One thing we were apprehensive about was the food but wow were we blown away. Wedding food is not usually something guests talk about after the wedding but every guest has commented on how amazing the food was.

I was impressed by the Allerton's promptness and flexibility throughout the rest of the process.

The Allerton accommodated our requests and worked as a team with us. We can't wait to go back next year for our complimentary anniversary stay!
