JULIANA HERNANDEZ

MEET THE FOUNDER

Dez Collective was founded by Juliana Hernandez with a simple belief: the spaces people gather in shape how moments are experienced and remembered.

With a natural eye for design and a deep appreciation for detail, Juliana built Dez Collective to offer thoughtfully curated furniture and décor that elevate events beyond the expected. Each piece in the collection is selected to help planners, couples, and brands create environments that feel intentional, refined, and unforgettable.

Since its founding, Dez Collective has become a trusted partner for luxury weddings, private events, and brand experiences across Boston and New England. Juliana is known for her collaborative approach, working closely with clients and creative partners to bring their vision to life while maintaining the highest standard of quality and service.

Her work is guided by the belief that great design doesn't compete for attention, it quietly transforms a space, allowing meaningful moments to unfold naturally.
