Catering Policies

GUARANTEE POLICY

Ten (10) working days prior to all food functions, the Hotel requires the client to submit an expected number of guests for each scheduled event. The expected number of guests cannot be reduced by more than 10% at the time the Hotel receives the guaranteed number of guests. The guaranteed number of guests for all food functions must be submitted to the Catering Department by Noon, three (3) business days prior to the date of the function. If the guarantee is not received by the cut off date/time, the Hotel will assume that the “expected” (exp) number of guests noted at the top of the banquet event order or the expected number of guests submitted to Catering ten (10) working days prior to the event as the guarantee. The guarantee becomes the minimum number of guests used in calculating the amount to be charged and the maximum number for food preparation. Should the actual number of guests in attendance of the event exceed the guarantee; the customer will be charged for that number of guests. On plated Food and Beverage functions, the Hotel will set seating based on the guest list and seating chart given from the client.

TAX

All federal, state and municipal taxes which may be imposed or be applicable to this agreement and to the services rendered by the Hotel are in addition to the prices herein agreed upon, and the patron agrees to pay for them separately. The Current tax for Orange County is 6.5%.

LABOR CHARGES/ MINIMUMS

All Food & Beverage is subject to 26% Service Charge and 6.5% Sales Tax. This includes gratuity for banquet employees. No other fee or charge is a tip, gratuity, or service charge for any employee.

OUTDOOR FUNCTIONS

The Hotel reserves the right to make the decision to move any outdoor function to the inside backup space due to inclement weather. The Group will be advised of all options for the function at a minimum of eight (8) hours in advance of the event. The final call must be made at a minimum of four (4) hours in advance of the event. The hotel’s decision is final. Any movement of equipment, chairs, tables and food and beverage after this time frame is subject to labor fees starting from \$500.00.

Inclement weather is defined as wind that exceeds more than 20mph, temperatures no lower than sixty (60) degrees or higher than ninety-five (95) degrees and a percentage of rain predicted at thirty percent (30%) or more during the set-up, tear down or duration of event.

LIQUOR LICENSE

No alcoholic beverages or spirits of any kind will be permitted to be brought into the Hotel by the Wedding or any of the Wedding's guests or invitees. The Wedding understands that Hotel's liquor license requires that beverages only be dispensed by Hotel employees or bartenders. Alcoholic beverage service may be denied to those guests who appear to be intoxicated or are under the Florida legal age of 21 years old. Requests for shots and double cocktails are not permitted due to the Hotel's Catering and Banquet guideline.

The noise ordinance for amplified sound in outdoor spaces which are adjacent or nearby hotel guest sleeping rooms is 9:00 PM.

For the Vue Ballroom specifically, amplified sound or noise from any type of presentation or entertainment is not to exceed 90 decibels at any time. If sound or noise reaches above 90 decibels, the vendor will be asked to lower the sound. The vendor should respectfully adhere to this request. If the sound is not lowered to the acceptable decibels, any damage to a ballroom fixture or hotel room compensation for an unhappy hotel guest may be charged back to the vendor. Multiple requests may lead to a removal of the vendor from the Preferred Vendor List for the Swan & Dolphin and Swan Reserve.
