

THE BENACHI HOUSE & GARDENS

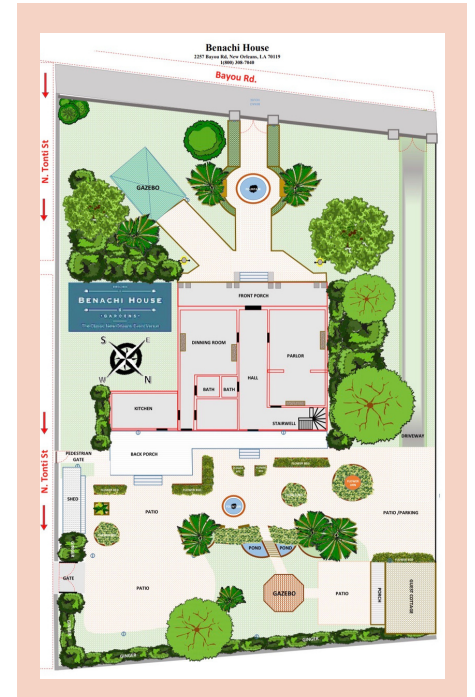

2257 BAYOU ROAD
NEW ORLEANS, LA

The historic Benachi House is an award-winning landmark restored with an abundance of quintessential New Orleans charm. The Greek Revival mansion was completed in 1859 for Nicolas Benachi and his family. Today, this historic property serves as a special event venue and wedding weekend hub.

With 30,000 square feet of event space, the property boasts a multitude of possibilities. The mansion is perfect for overnight guest accommodations, bridal prep, rehearsal dinners, welcome parties, weddings, or post wedding brunches. The property includes eight bedrooms, seven bathrooms, two kitchens, and a variety of common areas. Plans to build a pool and make additional improvements are scheduled to begin in late 2021.

A three-night grounds rental is required to book a weekend event. A grounds rental includes exclusive use of the main house, carriage house, and the beautiful outdoor space. An event rental includes security, tables, table linen, and chairs. Events are defined as a gathering of thirty people or more.
