

Host your event at JFS **Altius Farms**

2500 LAWRENCE ST #200, DENVER, CO 80205

Our Garden

Your memories.

Our outdoor garden space offers a beautiful and unique location for a one-of-a-kind dining experience, shower, wedding, or any celebration. Located in Denver's popular RiNo district, it's the perfect location for your event.

The background image shows an outdoor dining area. In the foreground, there are lush green plants in a raised garden bed. Behind them, several long wooden tables are set up with black plastic chairs. The tables are decorated with small vases of yellow flowers. A wooden fence runs along the back, and a black canopy is visible on the right. String lights are hanging from the fence. The scene is set in a garden with trees in the background.

About JFS Altius Farms

JFS Altius Farms provides fresh, healthy, locally grown culinary mushrooms and seasonal vegetables to restaurants, grocers, and consumers. Grown in two Farm Box containers in our outdoor garden space, we produce more than 400 pounds of mushrooms each week, year-round.
