

SLOOMOO

I N S T I T U T E

Sloomoo To You

Have Slime. Will Travel.

SLOOMOO TO YOU

Can't come to us. We'll come to you.

Whether you're having a corporate event, outdoor activation, birthday extravaganza, or any kind of celebration, we bring the joy.

The options are endless.

- Customized slime creations
- Iconic Sloomoo vats - each full of 5 gallons of handmade slime
- A pool of squishies to sink into
- Pop-up DIY slime bar
- Slime making classes
- Meet Sloomoo the mascot
- And more bespoke opportunities available

The Benefits

We bring the joy. You just enjoy.

Slime and hands-on play ignite creativity and connections, no matter your age.

Slime has the ability to elevate serotonin levels, and squeezing it is known to decrease stress.

It's a complete surprise and delight for all.

Plus

We do the planning, set up, and clean up – it's effortless for you. Everything is tailored to your needs and budget.

"The Breakout Hit
of Our Conference!"

"A great experience and super
easy to book on our end. The
slime falls was a big hit with our
team! We also really enjoyed
making our own slime."

It was the reset we
needed and sparked the kind
of genuine connection that you
just don't get from a traditional
off-site lunch or workshop."

"A positive "out of the
box" experience for a team
building event. It created excited
murmurs and a positive energy
in the whole room."

Slime Creation Lab

Unlock your creativity and inspire everyone to unleash their inner artists with Sloomoo's Mobile Slime Bar.

Includes: Guests choose from between 4-8 slime textures and customize their very own creation with color, scent, charms, and toppings. Complete the look with your custom branding on the container and a gift bag.

The hands-on experience boosts engagement, sparks creativity, and encourages organic connection as people design their slimes side by side. It's joyful, interactive, and it leaves everyone with a tangible reminder of the experience, and your brand.

Perfect For

- Employee appreciation events
- High-volume, high-energy environments
- Birthdays

Participants vote on ingredients, assist with the process, and help create one giant batch together reinforcing teamwork, communication, and shared ownership OR everyone makes their own. Adults love it as much as kids do.

Perfect for:

- STEM moments
- Brain breaks
- Assemblies
- School-wide celebrations
- Team learning or professional development days)
- At home parties

CSR Program

Create together. Give back together.

Bring your team together around a shared purpose with our Corporate Social Responsibility Slime Experience. In this guided, hands-on session, everyone collaborate to create a gallon of slime in our signature vats, which is then portioned into individual jars and donated to a nonprofit of your choice.

This experience blends creativity, teamwork, and meaningful impact. Teams problem-solve, communicate, and co-create in a low-pressure, playful environment, strengthening connections while reducing stress. The outcome is more than slime: it's a shared sense of accomplishment and a tangible contribution to the community.

Perfect for:

- Leadership and development programs
- Employee wellness initiatives
- Client engagement events
