2026 SERVICE GUIDE

# *Capture ME* PHOTOBOOTH.

NOT THE ADD-ON. THE MAIN EVENT.

# THIS IS ALL WE DO

Most photo booths are treated like a side service. Ours is the business. That difference shows up in how the booth is presented, how guests are guided, how the line moves, and how consistent the final output looks from the first session to the last. CaptureME Photo Booth provides professionally staffed photo, video, AI, trading card, keychain, glam, and robotic drawing experiences for weddings, corporate events, conferences, and brand activations throughout Colorado.

We do one thing — completely — and better than anyone in the room. Two hours in, ours is still the busiest corner of it.

Professionally staffed photo, video, AI, trading card, keychain, glam and robotic drawing experiences for weddings, corporate events, conferences and brand activations throughout Colorado.

# BUILT TO RUN CLEAN

Every CaptureME experience is structured around clear staffing, real guest output, event-specific design, and professional on-site execution. Clients know what is included before they book, guests understand how to participate once they arrive, and the final deliverables are created to feel connected to the event rather than treated as a generic booth extra.

## **STAFFED SERVICE**

A trained attendant or staffed team manages setup, guest flow and operation throughout service time.

## **REAL OUTPUT**

Guests receive prints, videos, cards, keychains, portraits or digital files depending on the selected experience.

## **BRANDED DESIGN**

Templates, overlays, microsites, logos, colors and sponsor visibility are built into eligible packages.

## **CLEAR COVERAGE**

Published packages include 3 hours of service, setup and teardown outside hired time, and travel within 40 miles of Windsor.

PRICED UPFRONT, ON PURPOSE

# Investment at a Glance

Each experience includes professional staffing, three hours of service, setup and teardown outside hired time, and travel within 40 miles of Windsor. Pricing is structured by experience format, production needs, guest output, and the level of customization required. Large-scale events, festivals, extended activations, and high-volume guest counts are quoted custom.

# KEYCHAIN PHOTO BOOTH

The Keychain Photo Booth combines a staffed photo booth with live on-site keychain production. Guests take a photo, receive a printed image, choose a keychain style, and our team cuts and presses the image into a finished photo keychain during the event. It gives guests both the booth experience and a physical photo item they leave with in hand.

## GUEST EXPERIENCE

- Unlimited photo sessions
- On-site 2x6 or 4x6 prints
- One print per guest, per session
- Digital sharing by text or email
- Interactive Touchscreen
- Premium props included, optional

# AI DRAW ME BOTS

AI Draw ME Bots create a live robotic drawing experience where guest photos are transformed into AI-assisted portraits drawn by robotic arms. Guests take a quick photo, watch the drawing process unfold in real time, and leave with a finished portrait on branded draw sheets. The process itself becomes part of the event experience, making it a strong fit for conferences, brand activations, galas, and high-engagement guest environments.

## GUEST EXPERIENCE

- Unlimited sketches
- Live robot-drawn portraits
- Branded 4x6 draw sheets
- Interactive Touchscreen
- Solo and group captures
- New AI image every session
- Includes AI artistic styles

## ROBOT DETAILS

- One Draw ME Bot station
- Two robot arms included

- Post-event online gallery
- Travel within 40 miles of Windsor

## INVESTMENT

**\$2650**

Includes 3 hours of coverage  
Additional coverage: \$450/hour

# ENHANCEMENTS

Enhancements should support the event experience, not distract from it. These options are available with eligible services when they help complete the guest experience, expand what guests receive, or add another layer to the event story. Each enhancement is selected based on fit, flow, and how it will be used during the event.

## Additional Available Enhancements

- Additional coverage hours
- Additional Draw ME Bots
- Extra custom keychains
- Print-size upgrades: 5x7 and 6x8
- Custom and designer backdrops
- Step & Repeat Backdrop

## Audio Guest Book

A vintage-style phone experience where guests leave recorded voice messages during the event. It works best in a visible but slightly quieter location so guests can record comfortably without competing with music, announcements, or heavy guest traffic.

## Photo Guest Book

A physical memory book where guests can add booth prints and handwritten notes during the event. It works best when placed near the photo booth so guests can move naturally from their photo session to the book.

# OUTPUT THAT EARN'S THE SPACE

The final guest output should feel connected to the event. Prints, overlays, trading cards, draw sheets, AI images, microsites, and sponsor branding are designed to support the experience rather than sit on top of it as an afterthought. The goal is for every guest-facing piece to feel intentional, branded when needed, and aligned with the event.

### INCLUDED WITH:

- Signature Photo Booth
- 360 Photo Booth
- Keychain Photo Booth

## PROPS, WHEN THEY FIT

Props are available with select experiences and are always optional. Our prop selection is curated with the final photo in mind, offering pieces that photograph well, encourage guest interaction, and complement the overall feel of the event.

Some events are best served by a fun, prop-forward booth experience, while others may call for a cleaner setup focused on the guests, wardrobe, branding, or portrait-style output. Either way, props are treated as part of the guest experience — not an afterthought.

GOOD TO KNOW

# SPACE, SETUP & PLACEMENT

Each experience requires the right space, power, and placement to operate well. Booths should be placed on a flat, dry, stable surface with access to a dedicated outlet within 25 feet. Indoor placement is required for most events to protect equipment, prints, lighting, guest flow, and final output quality.

## SPACE REQUIREMENTS

- Photo Booth
  - with props: 12 ft x 12 ft
  - without props: 10 ft x 10 ft
- 360 Video
  - with props: 16 ft x 12 ft
  - without props: 12 ft x 12 ft
- Glam Booth
  - 10 ft x 10 ft
- AI Photo Booth
  - 10 ft x 10 ft
- Trading Cards
  - 10 ft x 10 ft
- Keychains
  - with props: 12 ft x 12 ft
  - without 10 ft x 10 ft.

Keychains and Trading Cards require additional production space.

## PLACEMENT

- Indoor placement is required for most events.
- Flat, dry, stable surface required.
- Avoid direct sunlight, speaker vibration and crowded service pathways.
- A dedicated outlet should be within 25 ft

## TIMING

- Service begins when the event begins unless idle time or an adjusted start time is included.
- For weddings, service typically begins during cocktail hour.
- Setup and teardown are completed outside contracted service time.

# LOVED BY OUR CLIENTS

👏 Capture Me Photo team was fantastic for our corporate event! The set up went beyond expectations, so many props and costumes to choose from and service from Jessica and Joe was engaging and professional and made our guests feel comfortable right away- we had a great time with capture me photo and will hire them for our next event! Thank You! 👏

**CORPORATE CLINET**

👏 Jessica and her team are absolute pros at helping to make a special and memorable event! We are returning customers and hope to use them again in the future too! 👏

**CORPORATE CLINET**

👏 We had the best experience with CaptureMe Photobooth! Our guests were lined up all night wanting to get their pictures taken. The staff was fun and friendly and the props made it even more fun and engaging. This was definitely a hit for our wedding night and so glad we decided to book with them! 👏

**WEDDING CLINET**

👏 CaptureME was absolutely incredible! We had over 100 guests, and everyone loved the photo booth—it was a huge hit all night. My brother, who owns a high-end wedding venue in Michigan and has seen countless setups, couldn't stop talking about how classy and unique it was. Thank you so much for making our event even more special! 👏
