Happily Ever After at the Harmonie Club

The Harmonie Club, New York's second oldest private club, counts many of New York's elite as members. The historic Clubhouse is in the last Stanford White designed building in New York City just off Fifth Avenue and steps from Central Park; a picture-perfect and convenient location for quintessential New York City photos. The Club's private rooms provide the right amount of sophisticated elegance and historic charm for the most intimate wedding. From the beautiful oak-paneled dining room, original from 1905, gold-leafed ceiling and antique Caldwell chandeliers to the historic Tiffany Studios designed ballroom ceiling and crystal chandeliers, you and your guests will *feel at home at Harmonie*.

Our hospitality and culinary staff will work with you to design your celebration. From rehearsal dinners to receptions and post-wedding brunches, our team will provide recommendations for vendors, propose ideal floorplans, and create customized menus, making your wedding day the flawless memory it was meant to be! Gracious dining, impeccable service, quality, and elegance remain the traditions of which the Harmonie Club is justifiably proud.
