Frequently Asked Questions

BOOKING PROCESS

Is a wedding planner included in pricing?

Leading up to your special day, your Castle Event Manager will oversee all aspects of your catering needs including menu selection and the setup of your reception location. If your ceremony is held on property, we do require the services of a professional wedding planner and/or officiant to assist with all rehearsal and ceremony related details. We will provide you with the name of our preferred vendor who offers an exclusive discount for our venue or you may opt to choose a licensed professional on your own. As your Event Manager is not a wedding coordinator, we encourage you to hire your planner for full day wedding services which will allow you to relax and enjoy your day knowing that not a single detail will be missed.

What exactly does my facility fee include?

The Facility fee includes set up and break down of our event chairs, cocktail reception and dinner site including tables, place setting (to include china, all appropriate glassware and silverware), cake table, cake cutting services, gift table, the choice of white or black linens, dance floor and limited set-up of wedding reception décor will be provided by our Exceptional Events Team.

Do you require a deposit to hold the space?

A 50% non-refundable deposit is due with the signed contract and additional 25% payments are spread out up until your event. The final payment is due 10 business days prior with your final guest counts.

Can we book a ceremony without a reception?

We require ceremonies to include receptions with us and you will love how easily and beautifully your day flows from one to the other. We do, however, offer receptions without a ceremony on property. If you are planning to have your ceremony Sunday through Thursday, please reach out and we may be able to make an exception.

ROOMS & REGISTRATION

Do we get a group discount for our guests?

We offer group room blocks for 10+ rooms with a 2 night minimum. Discount will be based on season and availability. Please contact Sales for more information on group bookings.

We would like to give out welcome bags for all our guests who are staying at your hotel. Can your Front Desk hand them out for us?

We can have the Front Desk hand your gift bags out to your guests as they check-in or deliver them to the guest room upon arrival, for an additional fee. Please contact your Event Manager for more information.

What time is check in and checkout?

Check in is at 4pm and checkout is at 11am.

Frequently Asked Questions

WEDDING RECEPTION

Do you allow outside caterers?

To guarantee our standards of quality, inspired cuisine, we do not allow any outside catered food or beverage.

What is a Food & Beverage Minimum?

The Food & Beverage Minimum is a contracted minimum spending requirement for food and beverage only, consumed within the contracted space within the contracted time, (not including tax and service charge) with the food and bar packages you choose.

Do I have to use the vendors on the hotel's preferred vendor list?

You do not need to use our vendors but we suggest you consider them. They have a relationship with our hotel and understand the standards and expectations of our hotel, which means they help us wow you even more. Any vendors not on our list must provide a certificate of insurance and business license. Your Event Manager can provide further assistance.

I'm having my event outside. What if it rains?

We always hold an inside space for outdoor events in case of inclement weather. The Rain Call is made no later than 4-6 hours prior to the event start time by our Exceptional Events Team. These backup spaces are assigned based on number of guests and we cannot guarantee a certain backup space for your event.

Do you provide decorations?

Castle Hotel does not provide any décor for your events outside of the table setting and your choice of black and white linen. However, we can provide you with our vendor list for suggestions. Any decoration is your responsibility to set up. We recommend hiring a wedding planner or assigning a family member to be responsible for any decorations not done by a vendor.

We have children coming to our wedding, will they be the same price as adults?

We do offer a children's meal for those under 12 years old. Your Event Manager can provide you with details.
