Our other venues, catering, and corporate gifting:

Haverhill Vineyard—

- ➔ We lease our vineyard site from Whittier Birthplace, so special events are subject to their approval and venue fees, and we act as event managers
- ➔ Please note, there are no on-site facilities
 - Porta Potties must be brought in for restrooms
 - Party rentals are required for seating/dining. Beginning in September, a historic barn is also available for use (capacity TBD)
 - The City of Haverhill may require a police detail for traffic management for larger events
 - The site is hilly and may not be accessible to all guests
 - Outside catering with mobile kitchen equipment/food trucks are required for food
- ➔ For all event logistics & facilities we bill at cost + 20%; on-site event managers day-of are billed separately at \$150/hour
- ➔ For our bar services, we charge a \$500 setup/takedown fee; beverages are chargeable at the same pricing as on-premises at Marzae Cellar + Provisions
 - Because of how we must be permitted for events at Whittier Birthplace, we are unable to serve spirits. However, many of our aperitifs are considered wine under state & federal law. We are also able to bring in 3rd party wine & beer at your request for a 6x markup.

Acton Winery—

- ➔ Depending on production, we can accommodate small groups for tour/tasting experiences as the winery with the winemaker or assistant winemaker
- ➔ We can seat up to 12 people; Visits are \$80/pp for a guided tasting and snack, with a \$200 minimum
- ➔ Please reach out as early as possible to increase the chances of us being able to accommodate you

We can direct caterers to our distribution partners in RI, NY, PA, & NJ as well. We can also sell directly to self-cater: for 1-4 cases we offer a 33% discount and for 4+ cases we offer a 50% discount off retail prices.
