Welcome to AVAS Photobooth

Your photo booth provider should bring your vision to life and help ease any event-day stress — and that's exactly what we're here for. Here's a quick look at who we are and what we offer!

ABOUT US: We are Alba and Alberto Diaz, a husband and wife duo originally from NYC but currently residing in central New Jersey with our two children. Alberto has been in the events/entertainment industry as a DJ/MC for over 25 years. Alba brings over 20 years of graphic design expertise from her former life in B2B magazines. We believe in exclusivity and attention to detail. While large companies tend to juggle multiple events, on *your* special day, we focus solely on yours.

OUR BOOTH: Our "open-air" style photo booth is sleek, modern, and completely customizable so that we can provide you with an interactive and memorable experience. We offer two packages to keep the booking process simple: digital-only and a print package. We have partnered with Amoura Events to offer flower wall rentals if needed and we offer other enhancement for an elevated photo booth experience.

OUR PROCESS: We start by confirming availability and event details, then send over a booking form. A 30% non-refundable deposit is required to reserve your date, with the balance due 30 days before the event (payment plans available upon request.) After booking, we'll reach out to finalize customizations and coordinate logistics. On event day, we arrive about 1 hour-1.5 prior to start time to set up/test our equipment. Within 2-5 business days post-event, you will receive a Dropbox link with all of the captures to download to your computer.

FROM INSPIRATION TO EXECUTION,
YOU GET A CUSTOMIZED EXPERIENCE EVERY TIME
