EAT + DRINK + CELEBRATE

Our Story

Park 82 was created by restaurateur Jeff Safari and is nestled in the tranquil, yet booming neighborhood of Vinings in North Atlanta. The “82” is a tribute to our oldest son, Tyler #82, who we lost tragically in 2011. Always exploring and learning; his love of the outdoors, food, and socializing, helped create the Park 82 experience. It is a celebration of his young life and the legacy he left behind. After months of hard work and setbacks, ironically enough, Park 82 was ready to open on his birthday, June 5th! We hope our guests can feel the love and celebration of life when visiting Park 82.

Private Dining

At Park 82 we have several options to accommodate large groups for social occasions as well as business lunches. From our private Garden Room to the street front patio, all our spaces allow for customization and set up to suit your needs. Depending on your group's size we can provide a la carte menus or a fixed menu of selections to suit your budget and program. Beverage options are available as well, from open bar to custom designed cocktails or wine list you can customize the libations to perfection.
