VENUE RENTAL GUIDE FOR WEDDINGS

MEET THE TEAM

Welcome to Fairlie—Chicago's luxury event space redefining celebrations since 2019. Behind every unforgettable experience is a passionate team that brings vision, precision, and style to life.

At the helm is Alexis, Fairlie's founder and creative force. Her vision of modern sophistication and flawless hospitality has shaped every inch of this space—and every event hosted within it.

Keeping everything running seamlessly is Alison, our Operations Manager. With an eye for detail and a heart for service, she ensures each event unfolds with ease and excellence. With her team of Wedding Planners, Erin & Luis, they provide full service wedding planning for every Fairlie wedding.

Orlando, a dedicated member of our team, brings the energy and support that make behind-the-scenes magic feel effortless.

We're more than just a space. We're a team of passionate professionals committed to making your event extraordinary.

OUR PROMISE TO THE PLANET

Fairlie is more than just a beautiful event space—it's a reflection of our values.

We are deeply committed to reducing environmental impact across every aspect of our operations. From the initial walkthrough to the final sendoff, our team integrates sustainability into every stage of your event.

That means smart sourcing, responsible waste management, eco-conscious vendor partnerships, and a deep respect for our planet.

As proud members of the Sustainable Events Collective, we align with a growing movement of venues and creatives dedicated to eco-forward practices.

Hosting with us means choosing beauty, professionalism, and purpose—all under one (very stylish) roof.

What about the name? Derived from the word “hygge”, Huegah, is a phonetically spelled word from Danish culture. It’s a verb, a noun, an adjective and a way of life.
