# GOLF

Before the big day, hit a few rounds with your closest friends and family. Grand Geneva boasts two championship courses – The Brute and The Highlands. Play a traditional round or let our team set up a fun tournament for your group. Rental clubs are also available.

## **The Brute**

At over 7,000 yards, The Brute is one of the longest and most challenging layouts in the Midwest. It's also considered one of Wisconsin's best courses. Enhanced with 68 bunkers and huge rolling greens that average over 8,000 square feet, this par-72 course is beautifully manicured and immaculately maintained.

## **The Highlands**

The Highlands is a Scottish-inspired, links-style course, complete with a beautiful landscape of scenic hills, trickling creeks and lush foliage. This gorgeous golf course was originally designed by Pete Dye and Jack Nicklaus, and transformed in 1996 by Bob Cupp.
