

EVENT SPACE: **Full Building** (Including the Planetarium)

The rental of the Full Building for private events is available for four hours, encompassing the entire Main Campus including the Skybridge to the James S. McDonnell Planetarium, complimentary secured parking, and a professional security team. The Main Campus and Planetarium can accommodate 4000 attendees in a cocktail-style setting. Included on our Main Campus and Planetarium is our T-Rex Exhibit, Makerspace area, Liftoff Gallery, Starbay, and so much more! Ask about adding on our Esports Gaming lab, OMNIMAX® Theater, Amazing Science Demonstrations, VR Rides, or a Custom Star Show to elevate your event. Our in-house catering team and culinary specialists can provide comprehensive catering services to meet all your event needs.

Audio and visual equipment are also included in the rental cost, with an in-house technician provided to manage the audio-visual aspects of your event. The package includes projectors, a standing podium, and up to two microphones. Tables and chairs are included from our in-house inventory. Linen tablecloths and linen napkins provided at a cost based on usage.
