Restaurants & Dining

SEA GRILL

Perched where the desert meets the tides, Sea Grill offers an all-day immersion into coastal Latin soul. Mornings begin with a refined balance of international classics and wellness-focused fare, while the afternoon shifts toward an open-air kitchen narrative. Expect wood-fired pizzas, artisanal tapas, and a raw bar highlighting the Sea of Cortez’s seasonal shellfish.

ARBOL

Arbol is a departure from the expected, a high-design restaurant where coastal cuisine meets a treasure trove of Far Eastern spices. The menu is a sophisticated dialogue between fresh Baja ingredients and the complex heat of India and the Orient. From its lantern-lit ambiance to its bold, curated flavors, Arbol has redefined the Cabo dining circuit—offering a dramatic backdrop for intimate gatherings or exclusive takeovers.

OASIS POOL & TAQUERIA

A vibrant poolside retreat where the spirit of the Mexican puesto is elevated for the discerning traveler. The Taqueria focuses on the essential flavors of the regional —hand-pressed tortillas, vibrant salsas, and locally sourced proteins—providing a relaxed, sun-drenched counterpoint to the resort’s more formal dining rooms.

ALEBRIJE

Under the direction of Chef Rizzo, Alebrije is a culinary pilgrimage through Italy’s most storied regions. Moving beyond simple Mediterranean fare, the kitchen utilizes time-honored techniques to interpret local Mexican ingredients through an Italian lens. From the acidity of the south to the robust traditions of the north, dining at Alebrije is a warm, inviting experience where the Old World meets the edge of the Sea of Cortez, a perfect setting for casual dining or private events.

Whether it is a barefoot welcome reception as the sky transitions through the Baja sunset or a grand gala for up to 150 guests culminating in a pyrotechnic finale, the setting offers a seamless blend of natural wonder and world-class production.

LA PLAZA

Perched above the resort's core, La Plaza offers a 180-degree vantage point overlooking the white sands and the Pacific horizon. This tiered outdoor venue is defined by its architectural clean lines and sweeping sea breezes, providing a sophisticated backdrop for sunset receptions and private dinners for up to 150 guests.

LA CAVA

Evoking the subterranean warmth of a grand Mexican hacienda, La Cava is the resort's private sanctuary for the oenophile. Lined with an exceptional collection of over 3,000 global vintages, this intimate vault serves as both a working wine cellar and a sophisticated dining room. It is the definitive choice for rare tastings or candlelit gatherings, accommodating up to twelve guests in an atmosphere of quiet, storied luxury.

LA PERGOLA

Capturing the essence of Baja Sur, La Pergola is an exercise in light and shadow. WEDDING GUIDE

Culinary *Artistry*

Dining at Las Ventanas al Paraíso is an exploration of provenance, where the Baja produce meets global technical mastery. From the wood-fired heritage of the coastline to the complex spice trails of the East, our culinary program is designed as a sensory dialogue with the land and sea. We believe that true luxury is inclusive; our chefs are dedicated to tailoring every experience to individual dietary requirements, ensuring that every palate—regardless of preference or restriction—is celebrated with the same level of creative rigor and intentionality.

Culinary *Experiences*

AGAVE EXPERIENCE

Move beyond the standard tasting with a master-led journey into your "Tequila Sign." Through a sophisticated blind analysis of profile and palate, our Tequila Masters identify the specific agave variety that aligns with your personality. This certification serves as a personal roadmap for navigating the resort's collection of 150 premium tequilas and rare agave spirits.

TACO ACADEMY

Master the architecture of Mexico's most iconic export. This interactive session is a deep dive into the regional soul of Chiapas, Oaxaca, and Jalisco. From the rhythmic art of hand-pressing heirloom corn tortillas to the complex layering of traditional salsas, the Academy is a celebration of the history and technical precision behind the perfect gourmet taco.

PRIVATE DINING

For moments that require a more intimate stage, we offer a collection of private environments. Whether it is a sunset reception on the 180-degree expanse of La Plaza, a candlelit dinner within the subterranean vault of La Cava, or an aromatic evening in the Herb Garden, each venue is a sanctuary designed for connection.

STARGAZING DINNER

An intimate evening under the desert sky, where a candlelit beachfront dinner unfolds alongside a guided stargazing experience. Inspired by the rhythms of the Sea of Cortez and the brilliance of the cosmos, each moment blends gastronomy, nature, and discovery.

IN-VILLA BARBECUE

Transform your private terrace into a high-end coastal grill. Our chefs curate a bespoke menu of seafood, surf-and-turf, or traditional Mexican cuts, prepared over an open flame within the intimacy of your villa.

BACK TO THE ROOTS

This is dining as ritual. A journey into Mexico's culinary heritage, centered on the ancient art of **Barbacoa**. By utilizing traditional pit-cooking methods that require patience and precision, the experience cultivates a rare sense of anticipation, resulting in a meal that feels both sacred and deeply grounded in ancestral tradition.

DESERT CANYON DINNER

An immersive evening where the spirit of the desert takes center stage. Set within the rugged beauty of the canyon, the night unfolds with live cultural performances and local rhythmic sounds. This experience culminates in a brilliant firework display under the star-studded Baja sky.

MIXOLOGY EXPERIENCE

Step behind the curtain at La Botica, the only secret speakeasy in Los Cabos. This hands-on session focuses on the "new frontier" of agave spirits and modern mixology. In an evocative, low-lit atmosphere, guests learn to balance complex botanicals and rare spirits, defining the modern standard for the creative cocktail.
