

ABOUT MIMOSA GARDENS

Where Celebrations Bloom

Mimosa Gardens is more than a venue; it is a vision shaped by the stories of my family, who settled along Mimosa Lane in the 1950s. Generations of milestones were celebrated in the community, and the mimosa trees that once lined the lane became symbols of gathering, joy, and connection.

Years later, when I discovered the property now known as Mimosa Estate, I felt called to create a space where others could experience that same sense of belonging and celebration. Today, Mimosa Gardens welcomes you to make this place your own, whether for weddings, reunions, or milestones yet to come.

We welcome you to make Mimosa Gardens the setting for your most meaningful celebrations.

WHERE YOUR STORY BEGINS

A Timeless Setting

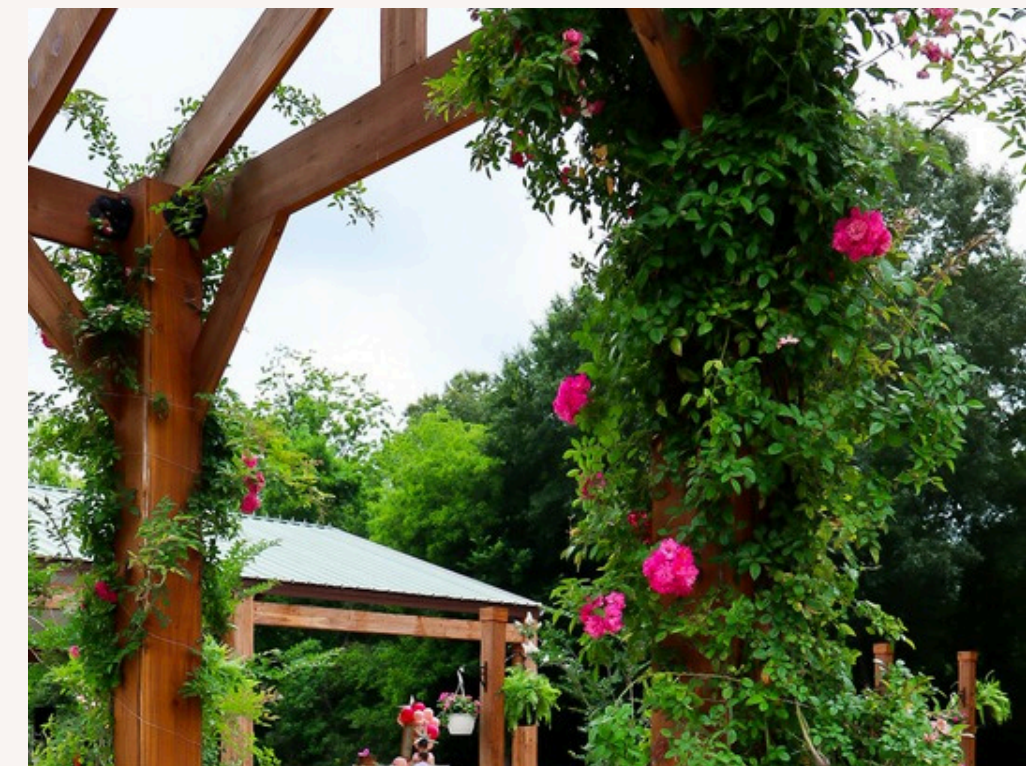

Mimosa Gardens was created for couples who want more than just a venue - they want an unforgettable and intimate experience. Mature trees, lush gardens, handcrafted cedar architecture, and thoughtfully designed gathering spaces create a setting that feels both elegant and inviting.

Thoughtfully Designed

Every space serves a purpose. Exchange vows in the bloom house, celebrate in our elegant reception hall or pavilion, mingle with your guests in one of our many gathering spaces, gather around the fire pit, or enjoy cocktails on the covered patio. Every corner was designed to make your wedding day flow beautifully.

Conveniently Located

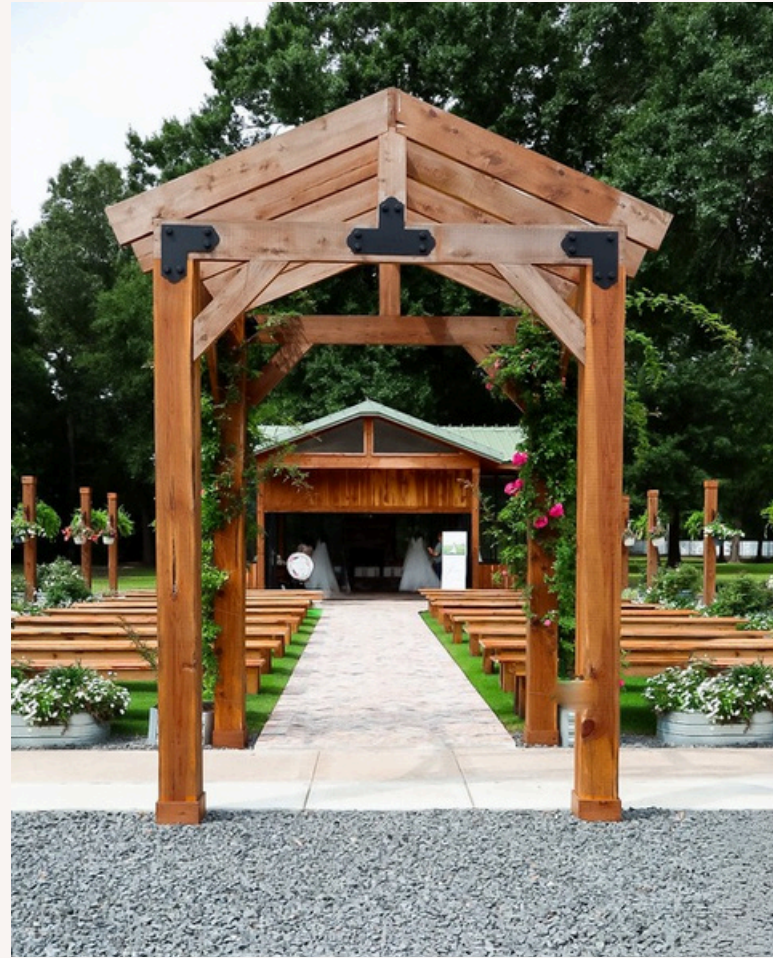

Located in Dayton, Texas, Mimosa Gardens is easily accessible from Houston, Baytown, Liberty, Beaumont, and surrounding communities, offering the perfect blend of peaceful countryside charm and modern convenience.
