The Depot Restaurant is the perfect place for social and business events. FAQ

What deposits are required to secure an event at the Depot Restaurant?

A standard \$1,000.00 reservation security deposit is required and due with the signed contract to guarantee the event date. This non-refundable, non-transferable deposit is required to guarantee the event date and can be paid prior to the Venue/Food & Beverage Deposit.

The Venue/Food & Beverage Deposit is required to guarantee access to the contracted venue spaces on the date of the event and to lock in event services, menu selection, beverage contracts, and all estimated pricing. This deposit is 50% of the venue fee + 50% of the estimated food and beverage minimum costs as defined in the signed contract and is due 60 days prior to the event.

When is the guest count and final payment due?

Three weeks (21 days) prior to the scheduled event, an invoice outlining the final real food and beverage costs will be issued to the Contracted Client, and the estimated totals will be adjusted to reflect the final amount due. The final guest count is due at 21 days prior to the event. The final payment for the event is due two weeks (14 days) prior to the event with no exceptions. Failure to pay this final payment on time may result in the forced cancellation of your event and withholding of the Venue/Food & Beverage Deposit.

Are music and dancing permitted?

Yes. All DJs or live musicians contracted for the event must be approved by The Depot when the Venue/Food & Beverage Deposit is paid, or 60 days prior to the event (if the deposit is paid earlier). All amplified music must be kept at the required decibel level as managed by the City and County of Sonoma. The Depot Restaurant reserves the right to require entertainers to lower the amplification of their music at any time. No amplified mics are permitted after 10:00 PM on Fridays or Saturdays, or after 9:00 PM on Sundays - Thursdays.

May we come and visit the venue?

We would love to schedule a tour of the venue. Please feel free to connect with us to schedule a day and time. Please note that we are unable to tour during service hours.

Do you offer a tasting menu?

We do not offer custom tastings, but we invite you to come and dine with us at The Depot to get to know our menu. We would be happy to schedule a reservation for you.

Do I need an event planner?

Most guests find that they do not need an event planner. Our highly skilled team will help curate your event from start to finish. If you wish to customize the event space, find additional vendors or bring in event rentals, we are happy to refer you to a reputable event planner and vendors.
