Design to Day-of Planning

WHAT'S INCLUDED:

- Virtual Wedding Guidebook
- Design Coordination (i.e., theme, colors, & décor)
- Budget management and payment tracking of design-related vendors only
- Vendor selection & coordination of design-related vendors only
- Final calls and payment coordination with all Event vendors
- (2) final planning consultations 4-6 weeks before wedding day
- Floor plan, seating, and itinerary development
- 1hr Wedding Rehearsal
- Full day-of coordination, for up to 12 hours, by Lead Planner + (1) Event Assistant
- Interception of any issues on day-of Event
- Monthly design planning meetings

Best for the couple who has selected their perfect venue but needs a professional eye to bring their vision to life. We'll do a deep-dive into all of the details of the look and feel of your dream day, create a vision board that captures the "wow" effect we want your guests to feel, & curate your dream team of experienced wedding vendors for the timeless, breath-taking day you desire. You'll nail down the rest of your non-design-related vendors and wedding details, then we'll tie it all together to provide stress-free day-of management on your big day.
