Stacy has been planning events for over a decade. She first fell in love with design & events while in college. She discovered that she had a knack for seeing a space's unique potential and designing an unforgettable event around it.

"I realized that I have a talent for making other's visions come to life. Seeing the smiles on our clients' faces when they first see their dream event come together, is why I love what I do."

When Stacy is not busy planning events for her clients, she is enjoying time with her husband Andy and their two dogs while spending time by the Chesapeake Bay.

After years of planning events and honing her skill for turning chaos into orchestrated perfection, Sam started her journey with Belle Beauty last year. She believes that wedding planning should be anything but dull and dreary. Her goal is to become not just a planner, but a trusted confidant so the planning process is as stress free and enjoyable as possible.

When she isn't managing timelines and wrangling bridal parties, Sam spends her time creating projects for her Etsy shop and snuggling with her rambunctious kitty, Nicholas Cage.

This is Amanda's first year with Belle Beauty Events! She originally was a high school biology teacher for 8 years before planning a friends wedding where she realized she had a talent for it. Fast forward 2 years and she is now managing Belle Beauty's social media page and learning the ropes on becoming a professional event planner.

When Amanda isn't busy creating content and learning, she is either at home playing video games or cooking with her two cats, Bex & Hans, or at Lake Gaston with friends and family.

What our Clients are Saying

I recommend Belle Beauty Events 100%! Stacy and Sam gave us an amazing experience during my daughter's wedding! I must say they went above and beyond expectations. We were able to enjoy every minute of the wedding without worrying about anything. It was just... PERFECT! Thanks so much to Belle Beauty Events for the wonderful memories that were created, and for all the hard work they put into it to make this a beautiful and unforgettable ceremony and reception!!!!

Stacy was incredible! I can't say enough good things about her! Like a lot of couples, we thought we would try and get by without a coordinator and I can't imagine our day without Stacy's help. Stacy was attentive to our needs during all phases- during the planning process and at the rehearsal and day of wedding. She does a fantastic job working with all parties- the couple (she took great care of us on our day!), the wedding party, our parents, and the other vendors. Super organized and everyone involved in our day enjoyed working with her. We cannot recommend Stacy enough!
