ABOUT US

The Fifty/50 is a full-service restaurant and bar located in the Wicker Park neighborhood of Chicago.

We specialize in both small and large events from cocktail receptions, corporate functions, birthdays, and any sort of event where people are letting loose and having a good time.

Numerous awards such as "Best Sports Bar in America" (Yahoo, Thrillist) or "Best Wings in Chicago" (WGN, Chicago Tribune, Metromix) have made the Fifty/50 a Chicago mainstay since 2008. Drum or flat, our wings are always jumbo and juicy with a light, borderline-flaky fry then topped with a tangy sauce of your choice.

We have three floors, all with their own bar, each with a distinct feel and vibe. The Skybox level is a private space overlooking the main floor that can fit up to 50 guests for a cocktail reception or seated dinner. The Dugout features lush booths and a private DJ booth along with a large downstairs bar and definitely a huge party vibe. All of these spaces can be privately hosted any time, day or night! Throughout the venue, we have spaces and areas that can be separated or combined for large and small events.

Lighting, custom menus, and ambiance can be adjusted according to your specific event needs. We are also able to make special accommodations for your events whether it's additional A/V, wireless microphones, or event planning and production support.

Sam Clavey has worked with the Fifty/50 Restaurant Group for more than 4 years and she is here to assist in creating the perfect on-site or off-site event. She can be reached directly at Sclavey@thefifty50.com. Additionally, we can be reached by emailing events@thefifty50.com
