A group of four women are shown from the chest up, smiling and celebrating. They are surrounded by a shower of colorful confetti (pink, blue, yellow, green, red). The background is a vibrant, multi-colored geometric pattern. The women are dressed in casual to semi-formal attire. The overall mood is joyful and festive.

Cheers to You!

You're about to marry your best friend.
Cue the confetti!

Whether you're newly engaged or knee deep in the
planning process, we got you.
We raise our glass and can't wait to celebrate YOU
through this journey!

So, are you ready to blossom?

Vice to Meet You

We are a full-service boutique design and planning team based in NYC with a strong Brooklyn-vibe.

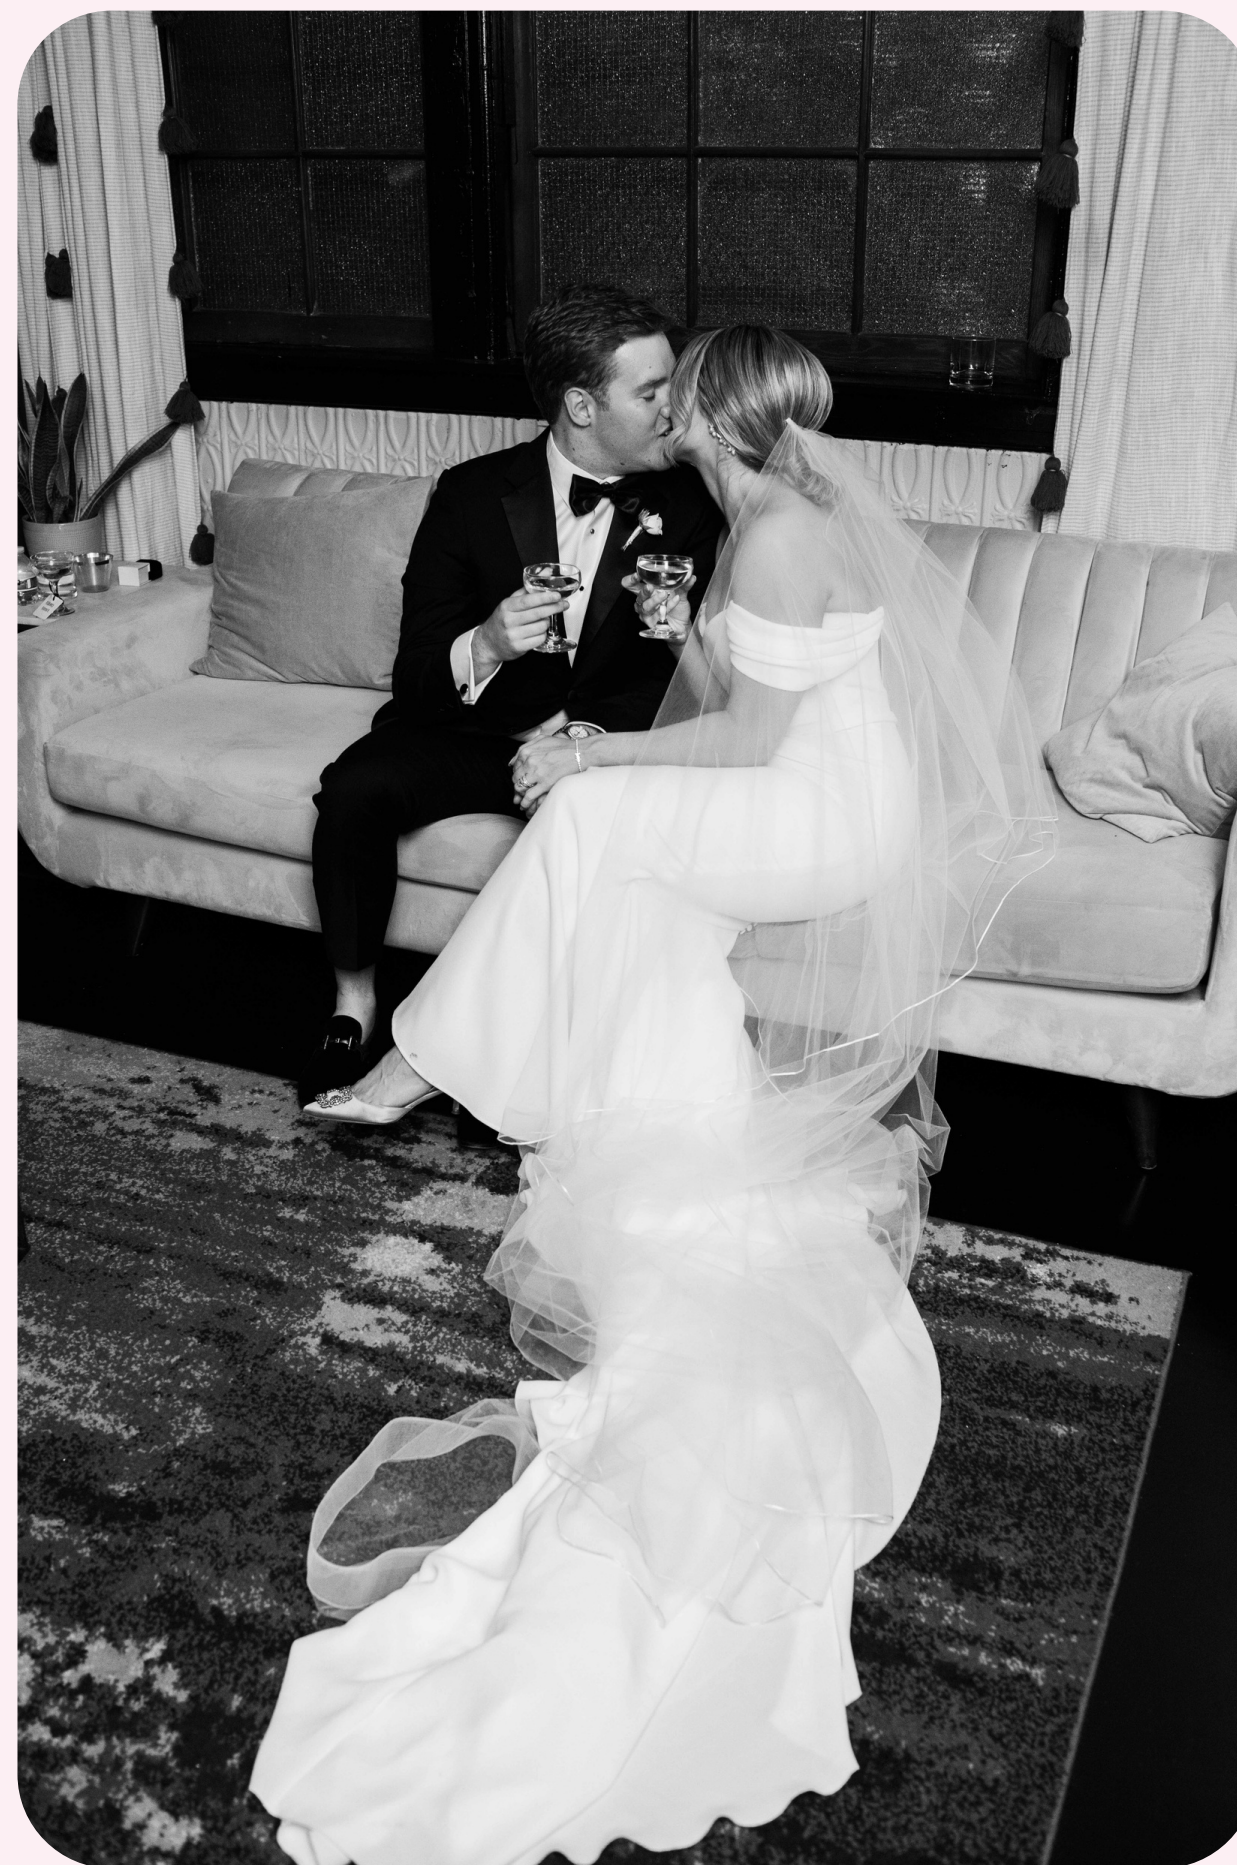

Our events are lavishly custom, full of life, a lot of heart & a touch of rock-n-roll. We like our high-end velvet runners, Dom Perignon... and a late-night NYC pizza truck!

But most of all, we love going above + beyond for our people. It's our special sauce. We curate every detail to reflect YOU.

It's like bringing on your best (very organized, creative and trusted) friend throughout your entire wedding journey. Our ideal clients are planning for a marriage, not just a wedding.

We want to keep bringing all the details back to you. Supporting you mentally + emotionally, beyond the checklists and RSVP's.

Basically, we got you - while we create unforgettable-WOW experiences for you and your people.
